PT. ALMASINDO
Bakeware & Cookware Manufacturer

PT. Almasindo was established in the year 1989

1989

BRIEF COMPANY HISTORY

The premises were completely built up by the end of the year 1990

1990

The premises were inaugurated collectively by the President of the Republic of Indonesia, Mr. Soeharto, and signed by the Minister of Industry, Mr. Hartarto

1991 July

The first launch of exports was on September 13th, 1991, to the United States, followed by other countries such as Canada, Australia, and Southeast Asia

1991 Sept

The manufactured products are non-stick bakeware and cookware made of carbon steel. Aluminum bakeware is also manufactured as a complement to the current non-stick carbon steel bakeware

1991 until now

PT. Almasindo's business orientation is to export its products and support the government's program to increase non-oil businesses
